

CYBERSTER
DEFEND WITH PRIDE

LETTER OF EXPERIENCE

Honoring Excellence in Internship Performance

Dear Ali Ahsan

This is to formally acknowledge the successful completion of your **three (3) months internship** in Cybersecurity with **Cyberster Internship**.

During your internship tenure, you actively participated in assigned tasks and demonstrated a strong commitment to learning and professional growth. You consistently showed dedication, responsibility, and a proactive attitude toward completing your work with accuracy and within given timelines.

Throughout the internship, you were involved in task execution, technical learning activities, and structured assignments designed to enhance your practical understanding of cybersecurity concepts and workflows. Your performance reflected a clear willingness to learn, adapt, and improve with each task assigned.

You maintained discipline, consistency, and a positive approach toward teamwork and collaboration. Your ability to follow instructions, apply feedback, and contribute effectively to assigned objectives was appreciated throughout the program.

At **Cyberster**, our goal is to equip interns with real-world skills and industry-relevant exposure. Your successful completion of this internship demonstrates your potential to grow further in the field of technology and cybersecurity.

We acknowledge your efforts and encourage you to continue strengthening your technical and professional skills. We are confident that the experience gained during this 3-month internship will serve as a valuable foundation for your future career.

We wish you continued success in all your future endeavors.

Regards,

Umer Imran
Founder & CEO, Cyberster
